**STIPULATED REQUEST TO EXTEND
DEADLINE FOR FILING STIPULATION
OF DISMISSAL AND TO VACATE
APRIL 23, 2014 STATUS CONFERENCE**

The parties file this joint request for additional time to file a Rule 41 stipulation of dismissal and to vacate or continue the April 23, 2014 status conference.

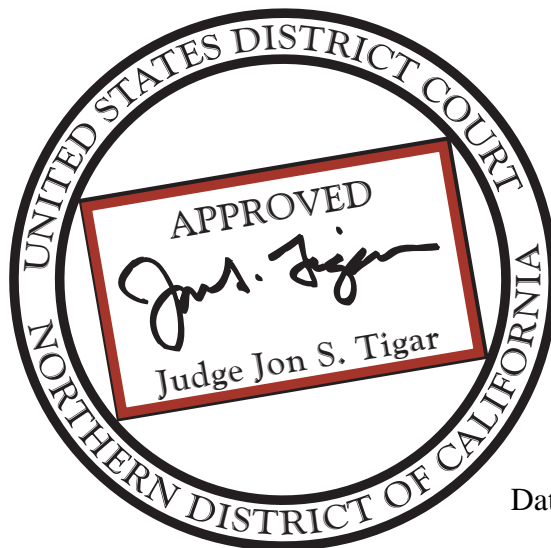

On December 20, 2013, the parties in this action reached a general settlement agreement in this action and plaintiff filed a Notice of Settlement. Additional terms were further modified and agreed upon. On January 19, 2014, the parties finalized and executed a written Settlement and Release Agreement. Since then, the parties have satisfied all nonmonetary terms of its settlement agreement, but is still waiting for the issuance of the settlement check. The CDCR has obtained and secured approval for the disbursement of settlement funds, but issuing a pay warrant (i.e., settlement check) is processed by the State Controller's Office. To the best of the CDCR's knowledge, the settlement check should be issued from the controller's office on or around May 2, 2014.

The parties, therefore, request that the deadline to file the Rule 41 stipulation of dismissal be continued to June 1, 2014, and to vacate or continue the April 23, 2014 status conference to June 1, 2014.

Dated: April 19, 2014

Respectfully submitted,
